Garden of Innocents is a nonprofit corporation dedicated to providing loving, dignified memorial and burial services for unclaimed children and infants in the custody of the St. Louis City Medical Examiner's Office. The organization serves children that would otherwise be buried at the expense of the City ... unclothed, in unmarked graves, and without memorial services. Your donations will be used to defray the costs of future burials, to purchase a permanent memorial for the Garden, and to expand our mission to other communities.
